No. 267.

The word 'Rode' is rendered in a large, bold, blackletter-style font. The letter 'R' is particularly large and features intricate internal patterns. The letters 'o', 'd', and 'e' are also decorated with internal patterns. The word is surrounded by elaborate flourishes, including a large circular motif on the left and several tassels hanging from the bottom. A decorative horizontal line with a central floral ornament is positioned above the word.
